SIERRA FLAME

Introducing Sierra Flame by Amantii's newest linear series of electric fireplaces featuring a deep charcoal colored steel surround. The steel surround has aesthetic proportions and features a touch pad with a numerical temperature display. Heat is emitted through the face below the glass viewing area allowing for a flush mount installation. If recessing is not an option, this model is also wall mountable and perfect in apartments or in places where renovation or construction is not an option.

Available in 7 sizes you'll find a unit that is perfect for any space in your home, business or commercial space. Boasting our FIRE & ICE®Flame presentation with three color LED light strips allowing for a multicolor flame options. With just a click of the included remote control, choose from blue, rose, violet, yellow or orange colored flames. The WM-FML-STL series comes standard with clear decorative media. Further media options available for additional purchase.
