INSPIRED DESIGN

BY AMERICAN DREW

American Drew's portfolio of collections cover a broad variety of styles from modern to classical. Influenced by furniture craftsmen, and the creative design of nature, our inspiration comes from an ever changing range of materials, design elements, and colors. We are finally most inspired by the challenge of creating unique and beautiful furniture that gives the bedroom, dining room, and living room spaces an inspiring design of their own.

INSPIRATION: MODERN, ELEGANT, TIMELESS...

EXECUTION: VANTAGE COLLECTION

The Vantage Collection's timeless refinement creates an elegance missing from the repetitive styles in the marketplace today. The design artfully incorporates select, figured Walnut veneers with satin gold finished stainless steel accents. Vantage fits beautifully into an emerging trend where timeless traditional character takes on a clean, modern aesthetic

INSPIRATION: RELAXED YET SOPHISTICATED

EXECUTION: HARMONY COLLECTION

As it's name suggests, the Harmony Collection creates an easy-going nature while retaining a look that is sophisticated and 'put together'.

This balance is a great way to keep the decor comfortable to live in without being sloppy or careless. To achieve this, Harmony takes advantage of the natural wood grain in split

heart White Oak veneers, and sets that against the bold backdrop of an Eggshell White finish.

The result is both refined and relaxed.
