BERKSHIRE

The Berkshire collection highlights the best of traditional furniture design. With casual spaces in mind, Berkshire uses the warmth of hickory, the graceful lines of turned posts, and the personal touch of a hand-antiqued finish to create an inviting style.

The collection mixes elongated bail and keeper drawer pulls with framed drawer fronts and end panels to create a sense of dimension and give the furniture a distinctive personality. The natural brown tones of the finish add a timeless quality making it viable for generations.

Although the style is decidedly traditional, modern features such as performance fabric used on the upholstered surfaces and soft-close drawer glides give Berkshire the benefits of newer furniture.

SELECT HICKORY VENEERS WITH AN COGNAC FINISH

Berkshire features select Hickory veneers and hardwood solids

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
