# Cambric

With the whimsical personality of a rural French cottage, Cambric inspires a calming sense of grace and elegance. Gracefully shaped lines bring together classic European motifs in a feminine form and create a beautiful stage for two exquisite finishes. A key ingredient that makes Cambric special is in its two complimentary flavors that share the same style. This interplay allows for tremendous design flexibility as the two pair together. This gives an opportunity for a range of interiors from tastefully matching to the sophisticated eclectic and everything in between.

Crème (white)

Breve (brown)

## 309 Cambric

White Oak Veneers with items in either Crème finish (white) or Breve finish (brown) featuring Deep Silver hardware finish

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

## Care & Cleaning

**Care of fine finishes:** American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
