CHASTAIN

Inspired by English Neoclassical design, the Chastain collection exudes sleek elegance. Caramel-finished pieces feature veneer patterns, dark inlays, and klismos saber legs. Woven cane and Worn Sage accents add a romantic touch. Bedroom options include a wood sleigh bed and a woven cane panel bed, complemented by sophisticated case pieces. The dining room boasts two stunning tables: a serpentine leg table with leaves and a round pedestal table. Living room pieces, like the bookcase and entertainment console, offer storage and showcase the collection's mixed materials, creating focal points throughout the home.

CAMEL & WARM SAGE FINISH • ELM VENEERS & WOVEN CANE • PALE CHAMPAGNE HARDWARE FINISH

Neoclassical-inspired furniture with Caramel finishes, woven cane, and Worn Sage accents.

Elegant bedroom, dining, and occasional pieces create a sophisticated home.

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
