EMPORIUM

The Emporium collection marries simple silhouettes with casual craftsmanship. The hand-worked Shadow finish carefully applied to distinctive high-low wood patterns creates the focal point of the collection and brings out a natural, aged character of Emporium. Many pieces showcase this intricate craftsmanship through thick veneers arranged in a starburst pattern. With thoughtful details and unique design throughout, Emporium adds sophistication and elegance without formality.

SHADOW FINISH • WHITE OAK VENEERS • PERFORMANCE FABRICS

Casual transitional styling featuring high-low veneer patterns on select pieces.

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
