Southbury

Casual European country homes are the inspiration for Southbury. Working with different textures and finishes create a look and feel of old world treasures. Design inspirations include architectural elements such as fluted posts, picture frame moldings, subtle shapes and tapered legs. The final touch of the case is the beautiful dropping hardware. To achieve a time worn look, we use Wirebrushed Oak veneers finished with a glaze over antiqued chipped paint. Bedroom features include: soft close drawer guides, a flip down pull-out drawer for component storage and a lingerie chest with hidden storage. Southbury offers flexible dining room pieces that can fit into many areas, such as the 50" round table that will seat 4-8 people comfortably. A graceful dining chair with beautiful turned and fluted legs with a scroll back and an upholstered seat adds comfort and style to any home decor.

WIREBRUSHED OAK VENEERS WITH A PARCHMENT FINISH

Wirebrushed Oak veneers featuring white parchment finish with glaze and antique chipped paint along with contrasting fossil-colored wood tone tops and soft close drawer guides

Finishes ordered at different times are not guaranteed to match. Woods have grain and color variations due to growth patterns of each tree. The result is a beautiful and unique piece. Due to these variations, finishes on individual pieces are not guaranteed to match. The finish shown here has been reproduced as accurately as photographic and printing technologies allow. For the truest representation, please contact your American Drew dealer.

Care & Cleaning

Care of fine finishes: American Drew finishes are naturally resistant to minor everyday hazards and accidents; however, some precautions are necessary to maintain the beauty of your wood furniture.

- Dust with a soft clean cloth slightly moistened with water, and then dry completely with another clean cloth. Always rub in the direction of the wood grain.
- Avoid cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol.
- Do not place beverages directly on furniture.
- Use pads beneath accessories when writing or eating.
- Remove spills and smudges immediately.
- Pliable materials should not be left on a wood surface; they can damage the finish.
- Furniture should not be placed near heat, windows, or in direct sunlight.
