HARDWARE LOCATED IN HEADBOARD BOX			

Thank you for purchasing this quality product. Be sure to check all packing material carefully for small parts which may have come loose inside the carton during shipment. Identify and count all parts and compare with the parts list below. Read all instructions before assembling bed and keep these instructions for future reference.

INSTRUCTIONS FOR LED LIGHTING FUNCTIONALITY

STEP 1

Insert the DC Plug end of the Power Source Cable into the RGB controller (show above) found mounted on the back of the furniture.

STEP 2

Insert Power Source Hub (wall plug) into electrical outlet.

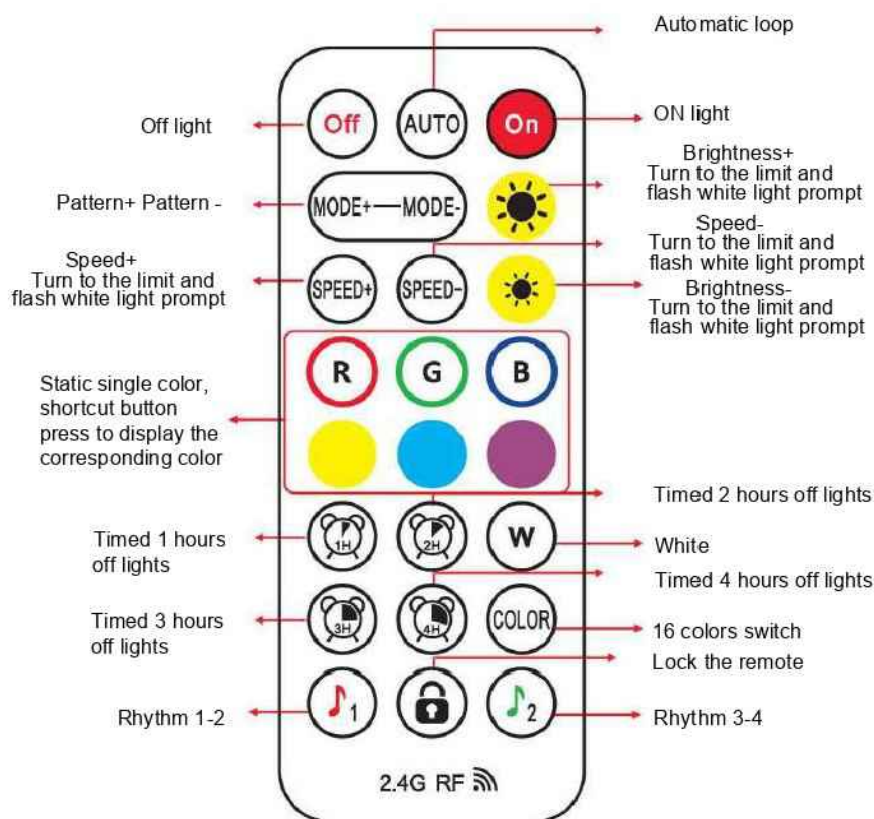

STEP 3

Use the LED Remote Control to operate lighting functions.

To operate Remote Control, pull plastic tab from battery compartment to activate remote (see below at base of remote).

Button operations shown below on the Remote Control provide a selection of functions that can be chosen at your preference.

LED Remote Control

*Pull plastic tab to activate remote

Scan QR code to download program to control LED bed lights with your bluetooth enabled device.

HOW TO REPLACE A NEW COIN BATTERY

STEP 4 The battery is supplied with the remote control. For replacement battery, please follow the sequence below to replace the battery.

⚠ WARNING

- **INGESTION HAZARD:** This product contains a button cell or coin battery.
- **DEATH** or serious injury can occur if ingested.
- A swallowed button cell or coin battery can cause **Internal Chemical Burns** in as little as **2 hours**.
- **KEEP** new and used batteries **OUT OF REACH** of **CHILDREN**
- **Seek immediate medical attention** if a battery is suspected to be swallowed or inserted inside any part of the body.

Battery type: 1 CR2025, 3V

Notice

- Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate.
- Even used batteries may cause severe injury or death.
- Call a local poison control center for treatment information.
- Battery type: 1 CR2025, 3V
- Non-rechargeable batteries are not to be recharged.
- Do not force discharge, recharge, disassemble, heat above 60°C or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.
- Ensure the batteries are installed correctly according to polarity (+ and -).
- Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries.
- Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations.
- Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.
