INSTRUCTIONS D'ASSEMBLAGE

ITEM NO. : 9526BR/GY-1

Reclining Chair / Fauteuil

▲ It is recommended to install protective pads under all legs and supports to avoid damage or scratches when placing furniture on a wood floor or other hard surface, and to limit indentation and prevent discoloration if placing on carpet.

▲ Il est recommandé de placer des coussins protecteurs sous tous les pieds et toutes les bases des meubles pour éviter d'endommager ou d'égratigner les planchers en bois ou autres surfaces dures, et pour limiter l'empreinte et empêcher la décoloration quand les meubles reposent sur la moquette.

NOTE: Do not use power tools for assembly. Power tools increase the risk of over tightening which lead to splitting or cracking the wood.

CARE INSTRUCTION FOR POLYESTER FURNITURE

In order to maintain the original appearance of your polyester furniture, please follow below care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and / or exposure to heating and air conditioning outlets will fade/damage polyester. Do not place your upholstered furniture too close to windows, radiators, r vents and be sure to use window treatments to block the sun's rays.

- Wipe with a soft brush to remove dust.
