INDIVIDUALLY
WRAPPED COILS

A unique fabric technology using minerals to help provide a healthy sleep environment.

Cloud Firm was designed to provide a supportive and healthy slumber.

Amethyst Therapy technology infuses amethyst particles into the soft knit mattress fabric using nano-technology, so you can access your core of calm and achieve deep relaxation.

Get the most out of your sleep with Amethyst technology fabric that wards off static electricity and naturally protects against bacteria.

Like all Sleepist mattresses, you can depend on Harmony for durability and years of use with same first day feel.
