

# VERAFLEX

ADVANCED

## SLEEPist

**Aloe Vera technology fabric aloe vera is infused in the top fabric to help create a soothing and refreshing sleep environment.**

Veraflex Advanced was made to give you your most soothing slumber. Aloevera Technology Fabric uses the properties of aloe vera to give you a deeper, more relaxing, and healthier sleep.

A specialized unit of individually wrapped coils moves independently and contours to your unique shape to keep you from being disturbed by other's movement and give you personalized support. The mattress is surrounded with a foam encasement that extends its sleep surface, and it can be paired with an adjustable base for even more comfort and support

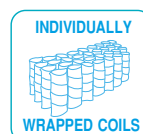

All our mattresses come with a 10-year warranty, so all you have to think about is getting your best night's sleep.

*Veraflex has high quality jacquard knit look ticking to show off the beautiful design of the plush quilting.*

Mattress Height: 13"
